Downtown URBAN

2026 Catalog

Downtown URBAN

The Downtown Urban Collections offer modern, stylish, and edgy restoration aesthetic that embodies the trendy atmosphere found in the heart of a city. This collection incorporates contemporary design with sleek, clean lines and subtle features like intricate knurling and graceful banding.

These fixtures are versatile, suitable as both the statement piece of a room or as a complementary design element that brightens up a space.

Available in multiple metal finishes, these lights can be paired with glass shades in a variety of shapes, colors, and sizes. Add a touch of elevated restoration design with a fixture from the Downtown Urban Collections.

The Owego Collection

Now available in three sizes: 4", 5" and 7" glass. Combine all three sizes into one unique multi-port fixture to create a stunning, cascading effect reminiscent of raindrops in motion, adding an organic, natural elegance to any setting. With its captivating teardrop silhouette, the Owego glass elevates fixtures from single sconces to multi-port arrangements of up to 12 lights, offering a design that is beautifully simple yet artistically modern.

The Milan Collection

The Milan pendant reimagines the classic teardrop shape with sleek, modern lines and sophisticated metal accents. A weighty glass bulb is cradled in sturdy metal banding, secured by intricate screws, adding bold detail. Suspended from a tapered frame and featuring a single bulb, the Milan pendant casts a striking silhouette that makes a lasting impression. A single Milan pendant is beautiful but makes a statement in multiples as part of a larger multiport fixture.

Newton & Pilaster Collections

NEW for 2025! Our popular Newton Collection is NOW available with a perfectly sized 12” glass, adding even more versatility to this beloved line of restoration-inspired fixtures. With this addition, every shape—Cone, Globe, and Bell—and glass color option is now offered in six sizes (8”, 10”, 12”, 14”, 16”, and 18”). Known for its thick glass and elegantly crafted metal finishes, the Newton Collection continues to be a top choice for refined, timeless lighting. Known for its thick glass and elegantly crafted metal finishes, the Newton and Pilaster Collections continue to be a top choice for timeless lighting. Both collections feature a versatile range of lighting options, including pendants, flush mounts, two- and three-light vanity fixtures, and sconces—ideal for any room. The Pilaster Collection, in particular, shines with its variety of cylindrical glass fixture sizes. Mix and match metal finishes to create the perfect combination that reflects your unique style and makes a statement!

Champagne BRONZE

We are thrilled to unveil Champagne Bronze, our latest finish that beautifully marries modern elegance with timeless sophistication. This warm-toned metal finish combines the classic richness of traditional bronze with soft golden undertones, creating a unique sheen reminiscent of fine champagne.

Champagne Bronze is versatile enough to enhance both contemporary and classic design aesthetics. Its satin finish adds a refined touch, making it the perfect choice for any space. Whether gracing a sleek modern fixture or a vintage-inspired design, this finish infuses interiors with understated glamour. You'll find Champagne Bronze debuting in our Arcadia collections and select fixtures throughout Downtown Urban.

Barrington, Amherst Brook & Berkshire Collections

We are excited to present our newest additions: the Barrington, Amherst Brook, and Berkshire Collections. Distinguishing these collections apart from all others is their ingenious utilization of cord mounts.

In a departure from conventional mounting methods, we've seamlessly integrated cord mounts to infuse an unparalleled sense of uniqueness and visual fascination. This design innovation not only elevates the aesthetic appeal but also amplifies functionality, providing effortless installation and adaptability to seamlessly harmonize with your space.

The Kahana Collection

Semi-flush mounts bring a modern twist to transitional design with their striking dual-finish combinations. A spacious, flared dome glass shade is gracefully suspended by a meticulously crafted black metal frame, complemented by a contrasting metal-finish canopy. The result is a refined yet versatile fixture that enhances any space.
